In our high school careers each one of us encounters a certain amount of doors, those to everyday places and the door to opportunity. Some are shared with friends and some are faced alone. Yet, the doors of Gavit will never be closed to those who have once entered them.

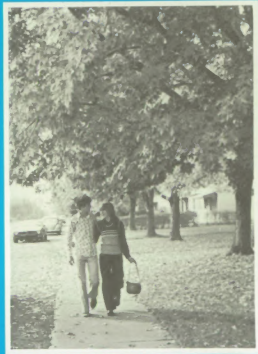

Life leads us in many directions. Sort of like the Yellow Brick Road. At times we come to a fork in the road when we must choose: North or South? college or work? East or West? Travel or settle down?

The decision is for a person alone to make. Be careful not to choose a road because of its ease, shortness of distance or the beauty of it's flowers, but choose the road that will bring benefits in the future.

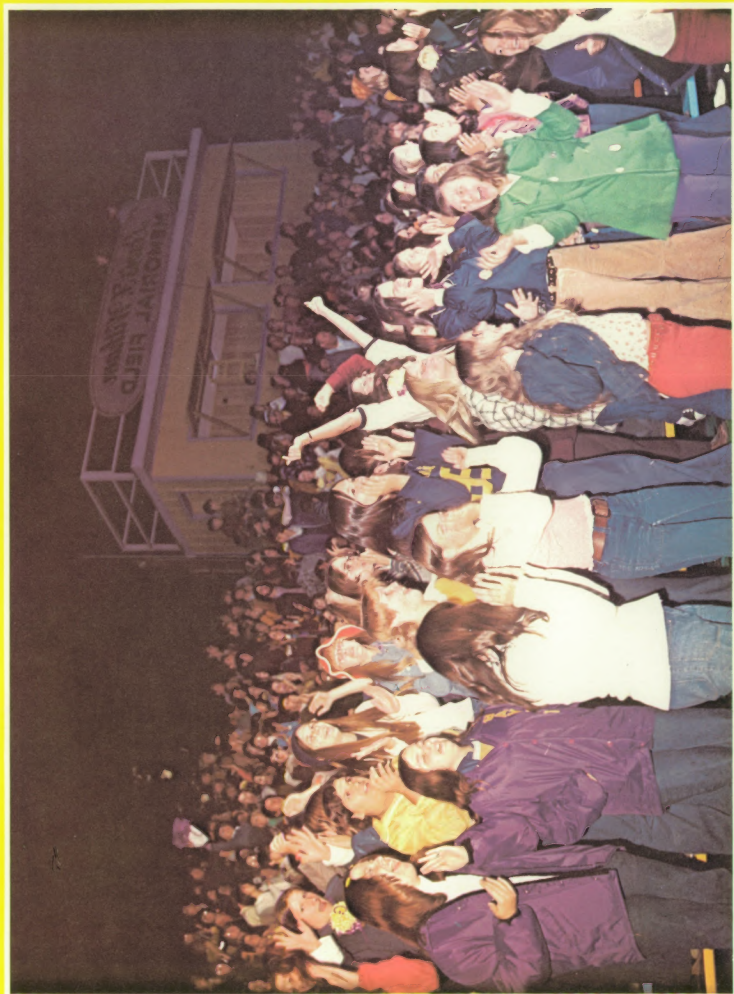

If we choose the wrong road, this too is life. One can either correct his error, accept the situation or let that situation ruin his life.

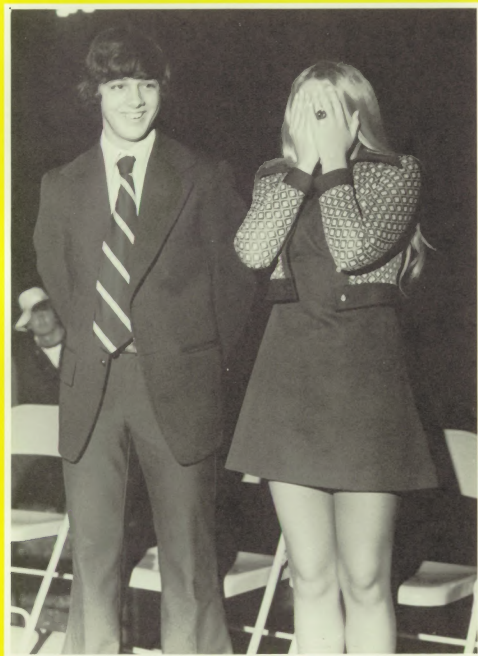

But if you take your time—choose carefully and wisely (for the choices are yours) the flowers that bloom late will bloom great. The longer road may bear more hardships, but the rainbow at the end will glow brighter for those who work for these glories.

This road will lead us to a life of health, much happiness, love and prosperity. The choice is yours.

They say "the road is narrow and many will fall by the wayside."

Success will be delivered only to the deserving—the hard-working who've paved the way for themselves and have not allowed any obstacles to lead them astray.

Some silent, frightful nights I might wonder—What's the use? Where will this path lead me to? Success—just what is it? It might be marriage, college, work—It will be however difficult or simple I believe in my heart that it should and could be.

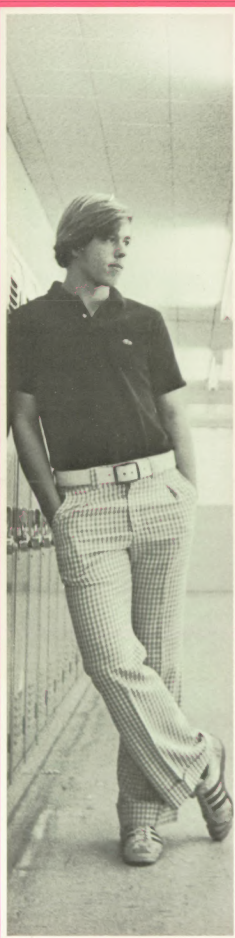

The road will always be there with promises, high hopes, heart-breaks, tears just waiting for some bright, aspiring young one to gingerly take his initial stride down that trail.

But the warning comes all too soon. It gets harder as you grow older. The muscles begin to wither. Your legs aren't as "good" as they used to be. You've become out of breath, trying, gasping to just keep pace with the livelier, younger ones.

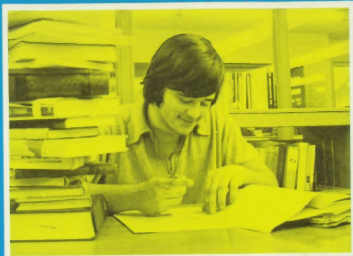

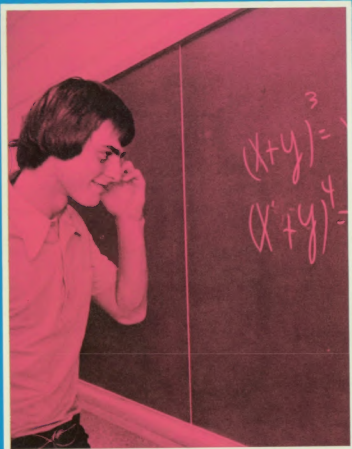

What used to be a huge, glowing light of confidence for a full, rich life is now darkness—pitch blackness—like for a newly blinded one trying to make his way through an unknown room. He stumbles and cries out, "Help!", but it's too late. He can no longer see; just like you can no longer fulfill your dream. Hurry! Fast! Quickly! Before your time has expired! Follow your heart and choose your long, winding road that leads you to happiness, peace—to your door.

We are all traveling toward the same end, yet all by different means and ways. At some time, one of us may be stranded along the way with no one to turn to, no one to show him where to go. In such a dilemma, one is at his most critical point of dire need since he must unknowledgeably select his next course of travel, which may determine his entire future. Thus, as we travel rapt in our own needs and dreams, let us not forget those destitute individuals who are left alone along some part of the journey. Don't leave them standing there—show them the way. It only takes an outstretched hand.

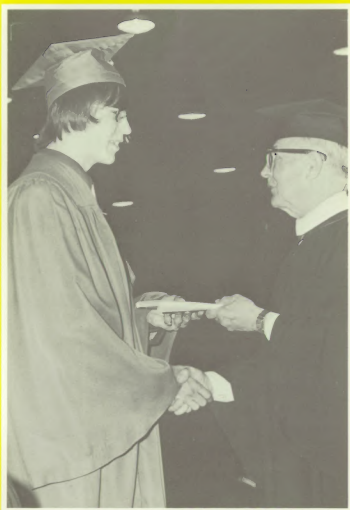

Life is boundless in the amount of activities, opportunities, and experiences which it offers to us. The road through life is short and should be made the best by everyone who has the opportunity to live life to its peak of pleasure and perfection.

Yet, as we strive to fulfill a goal or even make attempts at an idealistic dream, seemingly unsurmountable obsta-

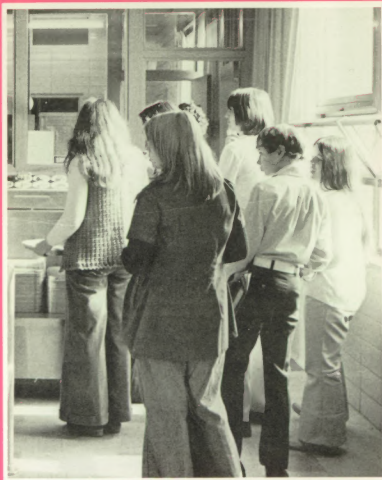

cles will loom before us. These barriers may remain until one is on the brink of despair, but one must then summon an inner strength to deal with this desperation. In this, a person is alone with his own thoughts, no one else having the ability to help, he must resolve the difficulties and hence, proceed with life, as usual.

Looking back at the long, winding road we traveled in the past, one cannot help but reminisce about our travels—togetherness is a good description of past activities. Sports activities were exciting, drama and choir displayed excellent talent—senior cords left nothing to be said or drawn! Long-to-be-remembered dances still linger in our thoughts and dreams, we must not forget our studying a main branch of this road—and, finally reaching the end of our travels we approach graduation, only to realize the end of our “road to success” continues on! Explore this long and winding road and you will reach success.

Think of all the waiting we do in life—waiting to grow up, waiting to go to kindergarten, waiting for recess, waiting for the first day of high school, waiting for the last day of high school, waiting for that first date, waiting for Santa Claus . . . waiting for life—but all that waiting is life. We are led to it in a thousand different ways, but we all end up there sometime.

*the long and winding road
 that leads to your door
 will never disappear.
 i've seen that road before.
 it always leads me here,
 leads me to your door.
 the wild and windy night
 that the rain washed away
 has left a pool of tears
 crying for the day.
 why leave me standing here,
 let me know the way.
 many times i've been alone,
 and many times i've cried,
 many ways you'll never know,
 the many ways i've tried,
 and still they lead me back
 to the long, winding road.
 you left me standing here
 a long, long time ago.
 don't leave me waiting here-
 lead me to your door.
 and still they lead me back
 to the long, winding road
 you left me standing here
 a long, long time ago.
 don't keep me waiting here-
 lead me to your door.*

Learning

Industrial Arts Aids Students and Develops Skills

The Industrial Arts Department at Gavitt offers many types of courses to students interested in developing their skills. All courses are open to students who want to have their knowledge involved in an industrial career. The areas offered include electricity, ceramics, metal work, plastics, mechanical drawing, graphic arts, woodwork, and power mechanics. These courses are developed to improve the student's insight and knowledge about the world around him.

In mechanical drawing students learn how to draw and read blue-prints. Mr. Richard Clausen, Graphic Arts, Dept. Chairman, M.S. Indiana State University

prints and three dimensional figures. It enables the student to understand the structure of buildings, for instance, floor-plans and layouts. The power mechanics class teaches the functions of electrical energy. Graphic art students learn the basic ideas concerning photography, off-set and letterpress printing.

The students in shop classes are given a chance to make something of their choice. This is allowed after one basic assignment has been completed. Some of the most popular projects include ash trays, steins, and wooden shelves.

Gavit's Business Department, with over 25 semesters of credit-hours courses, has something for everybody. Not only do Business courses give occupational training to those planning to enter the business world, many cover general information so that students can handle transactions they will encounter in everyday life.

Course sequences in Stenography, Clerical Work, and Bookkeeping award students who complete about 13 Business and 21 academic semesters of designated courses a certificate in their specialized areas. Cooperative Occupational Education (C.O.E.) bridges the gap between job training and job placement by cooperating with businesses who apprentice senior Business students. Courses that are designed to educate the consumer about business deals and products, such as Business Law and Consumer Affairs, also help the business major understand the needs of his future patrons.

Yearly increasing enrollment shows that students are concerned about everybody's Business.

Mrs. Mary Beth Kucka, Spanish, B.A. Purdue University

Language students learn to read, write, and speak either French, German, or Spanish. Besides textbook exercises, students listen to tapes in the language lab and view films to learn native customs.

Six senior French and German students who visited Europe last summer on the I.U. Honors Program helped their classmates this year. The French Club simulated a French cabaret (nightclub) on November 15 & 16, and ate at *Jacque's*. The Spanish Club built a Homecoming float, "Speedy Gonzalez Wants a Speedy Victory", and hosted Betty Olivalez from Mexico.

Mrs. Jeanne Moll, English, A.B. Indiana University.

Several courses of English are available for students to choose from. They include practical, regular, and college preparatory English classes. Each student works at the level in which he is able to achieve satisfaction. Gavitt's largest department is the English Department with a total of 21 teachers. They work together to make sure their students receive the best possible background in English. The sizes of the classes, from 20-30 pupils, are kept to a minimum so the students can receive more individual attention.

There are also extracurricular activities, electives, and facilities that are available to the students. Some electives offered during the fall semester included mass media, speech, drama, developmental reading, "Scroll" and "Futura". Outside activities such as speech and debate are available to any student interested.

HELPS STUDENTS DEVELOPE ABILITIES TO THEIR FULLEST

The College Preparatory classes worked toward preparing themselves for college. The Freshmen explored the facets of literature, short story, drama, poetry, and essay, during the first semester. Junior Prep. classes explored novels during the fall semester. A research paper on American authors was the next assignment for the Juniors. The Seniors found themselves busy with reference cards for six weeks. During this study much time was spent by students at local libraries, and hundred of note cards were used! All the college preparatory classes participated in weekly vocabulary tests. These tests are mandatory for "Prep" students hoping to prepare students for college.

Students in Practical and Preparatory found themselves working toward developing their abilities. The novels speeches, exams, essays, poetry, and even the vocabulary tests helped bring to each student a closer understanding of the English language and it's usage.

P.E. Classes Stress The Individual

Miss Caryle Feddeler, P.E., Social Studies,
M.S. Northern Illinois University

THE P.E. program at Gavit includes field hockey, football, soccer, basketball, handball, volleyball, gymnastics, tumbling, track and XX field, badminton, softball, table tennis, bowling, dancing, swimming, water polo, and wrestling.

This year included a first in the P.E. program at Gavit—co-ed-volleyball. Plans for the future include even more co-ed programs perhaps in dancing and softball. Another special program is the wrestling clinic offered by the instructors and coaches for grade school boys.

The instructors feel that a good P.E. program should offer wide variety of activity interests out of which each student might find one of particular interest to him.

And a ONE, and a TWO

The "long, and winding road" continues on through the music department. At the beginning of the road Freshman choral students are members of Mixed Chorus. Then as Sophomores they enter the Mixed Glee. Further along the road, Junior year brings Girls Choir and, along with Seniors, Concert Choir.

Under the direction of Mr. Thomas Clark, Gavitt's Choral Dept. presented their annual Fall Concert, and Christmas Concert—"The Magic of Christmas" was presented along with the Gavitt Band. Mr. Stanley Zaley is director of the Gavitt Band which not only performs but also at football and basketball games, and in parades.

MATH FIGURES WELL INTO CURRICULUM

A mathematics student at Gavit can follow any one of three sequences (levels) of courses, each geared toward the needs of individuals. The first sequence contains remedial and general math, the next is modeled for the vocational-oriented, and the third sequence prepares the college-bound.

The highest track within the Sequence 3 is the accelerated U.I.C.S.M. Self-discovery and individual study are stressed for the students who learn from innovative texts, written by the University of Illinois Committee on School Mathematics in the 1960's. Gavit contributed a few statistics in 1961 that helped the committee's study, and since then the U.I.C.S.M. has indoctrinated most other mathematics texts used by Gavit with new vocabulary and techniques.

Whether it be Basic Math, General Math, Algebra, Geometry, Algebra-Trigonometry, Math Analysis or Calculus, the Math department gives each student the most appropriate math courses for their future.

Mrs. Ruth Jones—M.S. Math. B.S. Wiley College

Mr. Richard Willis—Math, M.A. Purdue Univ.

Mr. M. Del Greco—Dept. Chairman, M.A.T. Purdue Univ.

Each math teacher has his or her preference of teaching either by lecture or "individual" method, but the psychology of a class may ultimately determine which is used. However, all nine instructors keep these objectives in mind:

- 1) To give students a basic knowledge to solve everyday problems.
- 2) To enable students to develop according to their abilities and needs rather than age or grade level
- 3) To develop in each student an appreciation for the mathematical systems structure and beauty.
- 4) To encourage students to ob-

serve, investigate, and make conclusions by themselves.

- 5) To enable students to test the validity of statements, concepts, and ideas.

Managing human and material resources is the definition of Home Economics.

This year Gavitt's program includes Foods, Clothing, Family Living, Home Management, Family Health, and Boys Foods. Through these classes students learn to sew pin cushions, coats, suits and dresses; to cook breakfast foods, Christmas cookies, and Thanksgiving dinners; to nurse the ill and injured in the home; to choose and furnish the home; and to find yourself.

The Home Ec teachers—Miss McMorrow, Mrs. Schneider, Mrs. Hooksma define the goal of the program as being "to create an interest in Home Economics courses that are useful to the student in his home and community."

SCIENCE IS SYNONYMOUS

"What's an atom?" explained by Mr. Gregory Maxwell.

Mr. Michael Kobe, Biology, Advanced Biology, M.S. Ball State U., Dept. Chairman

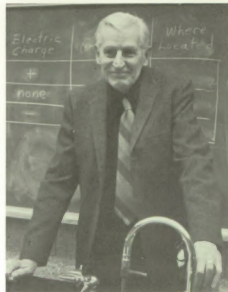

When asked to think of any interesting practice that exists in a science classroom, Science Dept. Head Michael Kobe retorted, "Science is synonymous with interest!" The 75-100 students working on independent Science Fair projects corroborate this idea as they work laboriously to continue Gavitt's fine record of 90 awards since 1966. Gavitt's five science teachers have tried to instill this inquisitive scientific interest into all their students.

Gavit's Special Education Department provides extra attention for students with learning difficulties. 69 students study adjusted math, social sciences, and English courses and take any electives they choose. Students also work half their school day in their junior and senior years, and they may receive a certificate of accomplishment upon leaving Gavit.

Gavit's Special Ed. Dept. also includes the only resource room in Hammond for the visually handicapped, which the Lions Club donated in 1969. Here, two instructors transform the reading material of nine students taking regular courses into large type, braille, or tapes for them to study.

Students are required to take World History and U. S. History, (two semesters each), and Government and Economics, (one semester each). These four requirements insure that each graduate of Gavit High:

- 1) understands the developments that have created the present world;
- 2) knows how and why the United States became what it is today;
- 3) understands the political processes and structures of American government at the federal, state, and local levels; and
- 4) has a practical knowledge of monetary transactions, including stocks & bonds and filing income tax forms.

SOCIAL OPTIONS

Psychology, Sociology, Geography I, Geography II, Contemporary History, Far Eastern History, and History of the South are the optional one-semester courses offered in the Social Studies Department. Psychology, the study of human behavior and attitudes, and Sociology, the discussion of current social problems and people's reactions to them, are the only elective courses restricted to seniors. Geography I is an introduction to map skills and to Western Civilization, while Geography II moves on to the Orient and Africa. Contemporary History takes you to the immediate past, Far Eastern History centers around China, and you are gone with the wind in History of the South.

Organizations

1. The first of the three main sections of the yearbook is the "Organizations" section. This section is divided into three sub-sections: "Student Organizations," "Faculty Organizations," and "Community Organizations." Each sub-section contains a list of the organizations and their descriptions. The "Student Organizations" sub-section is the largest and contains the most information. The "Faculty Organizations" sub-section is the smallest and contains the least information. The "Community Organizations" sub-section is the middle-sized and contains the most information. The "Organizations" section is the most important section of the yearbook because it provides information about the organizations that are part of the school community. This information is useful to students, faculty, and the community. The "Organizations" section is also the most interesting section of the yearbook because it provides information about the activities and achievements of the organizations. This information is useful to students, faculty, and the community. Undefeated Glads Clinch Lake Shore Conference Title

Unbelievable was the 1973 Football season as Gavit made its name as a football prowess due to a 10-0 record.

In the pre-season Football-O-Rama, the Glads took both ends of their matches, then succeeded in smashing Horace Mann and Hammond Tech by consecutive shut-outs. Over-ranked Roosevelt was handily downed 6-0, but not before a satisfying victory over Chicago Bowen. News of the purple and gold's success spread fast and a determined Bishop Noll team met the Glads head on. It was all in vain though, as Gavit clutched the win 35-16. Next came homecoming where a frenzied crowd watched the pigskinners post a decisive victory over Clark 14-0, followed by a stunning defeat of the Washington Senators 23-0. The following matches were "the" games for Gavit as they snatched a win from the fast Wildcats 28-24 proceeded by an assuring win over the always-tough Morton Governors 21-7. The undefeated pigskinners then

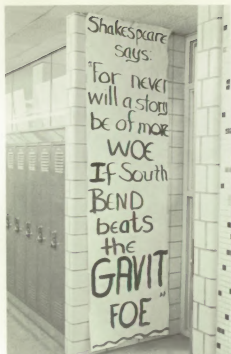

capped their undefeated season with an easy win over a troubled Chicago Gage Park team to clinch the Lake Shore Conference Title—the first ever at GHS.

In the postseason Triple A Semi-State Playoff game though, a fleet-footed South Band Washington team outmaneuvered Gavit and beat them for their first defeat 27-14.

All-state quarterback Bob Graczyk led the team with experience, as did Tim Shelton and Tom Templeton. In the All-Conference ratings, Gavit clearly dominated as Ed Shoenfelt, Bob Graczyk, Joe Narantic, and Rich Korem made the offensive team, while Jeff Johnson, Mitch Chenault, and Ed Shoenfelt make the defensive unit. Tracy Cooley was named All-Conference place-kicker. Receiving top honors for the All-State team were Ed Shoenfelt, Bob Graczyk, Mitch Chenault (AP), and Steve Smoot.

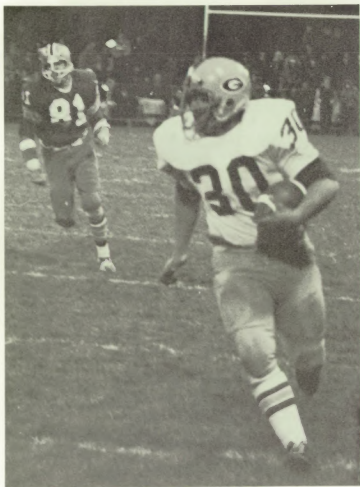

Row 1: Shelton, Haas, Chenault, Graczyk, Templeton, J. Narantic, J. Johnson, Rozgonyi, Row 2: Shoenfelt, Tatusko, Blastic, K. Callahan, Korem, Smoot, M. Signs posted thruout the school warned the Panthers about the tough Glads. They paid no attention and the tale was one of woe as they beat Gavitt.

After a pitch-out from quarterback Bob Graczyk, Tom Templeton hugs the sidelines with four South Bend Panthers fast in pursuit.

John Rozgony, pigskin tucked under arm, escapes from a dashing opponent to pick up another first down.

Junior Varsity Anticipates Chance To Play

The B-Team Football team struggled through their season while the players waited for the chance to play with varsity.

The underclassmen's debut was against Hammond High where they struggled to a 21-21 tie. Their first victory was at the hands of the Tech Tigers who were clawed down 12-7. Next came consecutive defeats by Munster and Morton, followed by a meek shutout, 6-0, over the Noll Warriors. The season closed with two losses by Gary West and again Morton, sandwiched by a scoreless tie to Noll.

These boys will be looked to next year when Coach Quinn starts rebuilding again.

Quarterback Dave Shryock neatly stashes one between Ralph Canale's waiting arms.

Frosh Team Gains Needed Experience

Coaches Ballou and Kuechenburg were faced with the task of seasoning a group of inexperienced Freshman at the beginning of the 1973 season. The task looked almost hopeless as the team scored only 1 touchdown in the first five games. The freshies finally captured one with a satisfying win over Clark 22-0. Next came a loss to EC Washington, but the season ended on a high note as they posted victories over Morton and Hammond High.

This unit will move up to the Junior Varsity Team and the two coaches will start again, hoping to improve this year's 3-5-1 record.

Cosgrove Remains Undeclared;

For the second consecutive season senior Bill Cosgrove ground out an unblemished record at 140 lbs. for the Varsity Wrestling Team. He also shared individual conference champion honors with Evan Tite (105 lbs.) and Mike Callahan (155 lbs). In seven out of eight seasons, the Grapplers have won the Conference Title and this year was no exception as their dual meet record was 8-0. Overall they pinned a 12-0 season with Bob Kitchens along with Cosgrove gaining perfect records in dual meets. The sole meet that the Grapplers were severely tested was Hammond High's as Gavit scraped past, 26-23. Seniors Ron Ortega, Bill Cosgrove, Bob Kitchens, Steve Smoot, Dave Hanas, and Steve Batchelor will take a considerable chunk out of next year's roster.

B-Team Grapples to First in Lake Shore Reserve Tourney

Sporting a 7-1 conference record, the Junior Varsity Wrestlers placed first in the Lake Shore Conference Reserve Tournament. Winners were Bob Ayala (134 lbs.), Tom Tuskan (157 lbs.), Tom Thegze (179 lbs.), and Frank Pfeiffer (187 lbs.).

Overall the JV was 10-2, losing only to Hammond High and Merrillville. Hoping to pin for next year's varsity will be potentials Art Labus, Randy Bond, and Tom Tuskan.

Tennis Team Gains New Coach; Finishes Second in City

Gavit's Racket Team began the season with a precedent and also a new coach. The new instructor was Ben Life who began his initial season for the Glads and the precedent was that the team was the first at GHS to have it integrated with girls.

Posting a 6-2 record, the team succumbed only to Hammond High and Munster. The Wildcats nipped the Glads by a mere 2-3 score while the Mustangs shut them out 0-5.

The season came to a close with the racketmen holding second place in the conference. Post season matches saw the Glads capture second in the city. Next year's squad should be able to improve, since the only loss they will suffer is that of letterman Tom Riley.

Roundballers Jump to Winning Record

Senior guard Chris Ford (left) contemplates strategy for dribbling around foe.

Fiery Varsity Basketball coach, Tim Russell led his 1973-74 team to a winning season, only the second victorious one in Gavit's history. The roundballer regular starters were guards Chris Ford who had a field goal percentage of 50 and Greg Barnes who was co-scoring leader with 254 points, center Jim Michels who was the other scoring leader with 254 and leading rebounder with 210 grabs, and forwards Mark Cooley and Rich Korem whose free throw percentage of 79 was tops on the squad.

The netters finished regular season play 11-9 but ended with a 3-5 conference record. Midway through the year, the team upset a stalling Noll Warrior team 50-49, in the Holiday Tourney, then were squeezed by Hammond Clark, 62-67, in an overtime thriller.

In postseason play, all hopes for a sectional title were buried as the Glads were outshot by Bishop Noll, 44-56. Shooting their last high school basketballs were Chris Ford, Greg Barnes, and Bob Graczyk.

A determined Dave Shryock scrambles around 3 opponents for the score.

Mediocre records posted by the junior varsity and freshmen basketball teams made coaches Tom Chintis and Fred Vukas hope for brighter spots in the future.

The junior varsity squad, finishing 8-12, ran into some hard luck as they lost 3 games by 1 point and 3 matches by 2 points. Another blow came when the team went down in defeat to Highland in a double overtime game, 43-47. Next year's record should improve as the B-Team moves up to varsity and the freshmen switch to JV.

7 wins and 7 losses was the record posted by Gavitt's frosh as they ended up Holiday Tourney Champs. The squad left over Clark and Hammond High to come home with the holiday trophy.

A disheartening overtime defeat by the Noll Warriors paved the way for conference tournament defeats by Clark and Highland, evening the freshmen's season at 7-7.

Leaping, Kevin Knutson shoots for two from the key.

Unconquerable Gals Drive to Perfect Season

An impressive untarnished record, posted by the Gavit Field Hockey Team, mirrored the promise shown by the athletic teams of GHS in 1973-74. Experience and knowledge of hockey tactics helped the girls retain their championship title, led by 7 starting seniors.

Although there are only 5 high school hockey teams in northwestern Indiana, the competition is tough and rivalry among the counterparts is high. Practices started for the 1973 team in August and their first opponents were River

Forest who they nudged 2-1. The well-seasoned team then skimmed past Portage and Chesterton, 2-1 and 3-1, respectively.

A 3-0 shutout at the hands of East Gary clinched the title for the team.

Two outstanding offensive players were center Carol Smith and inner Gail Johnson who were always ready with their sticks. Consistently stopping the opponent was the defense, which was led by fullbacks Chris Balazs and Marian Lucas and halfbacks Sharon Meier and Joyce Klappowski.

In an afternoon practice, Marian Lucas (left) steals the ball away from an alarmed Jo Ellen Nowaczky.

Jeri Hoffman (right) barrels down the field with a determined Chris Stewart sprinting after, in an attempt to gain control of the ball.

Traditional Powder Puff Game Supplies GAA

The annual Powder Puff Football game helped the Girl's Athletic Association finance their 1973-74 season.

In the underclassmen's half, the sophomores were triumphant over an inexperienced freshman squad by a 22-0 tally. Scoring for the winners were Dori Frye and Elaine Stevens while Linda Rippe aided the sophomore cause with substantial gains.

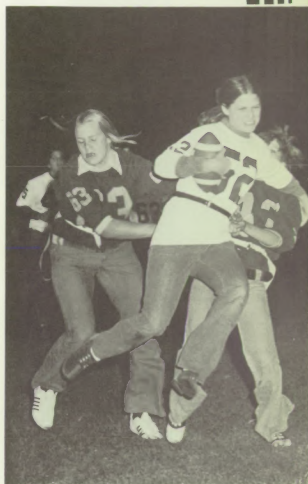

The junior underdogs inflicted

early wounds on their rivals and then held the seniors dry, to defeat them 6-0. Quarterback Jeri Hoffman tossed a 7 yard pass to Kim Thomas for the only touchdown in the half. This proved to be enough, as they then stopped the seniors cold on the 5 yard line with only seconds left to play.

Sportsmanship played an important role in the two matches as the girls struggled to win their games and also to have fun.

10-2 was the respected record of GHS's girls' volleyball team. The squad's core consisted of 9 returnees from last season who gained control and used their teamwork to garner a regional berth. In the regular season, the girls dropped only one match to an anxious Morton team (12-15, 15-2, 11-15). The Lady Glads then beat them in post season play and advanced to the regionals. There they defeated Kankakee Valley and Lowell, but returned home due to a loss from South Bend La Salle (14-16, 11-13).

Graduating seniors who played four years on the squad were Nancy Elliott, Chris Balazs, Marian Lucas, Gail Johnson, Sharon Meier, and Deb Hines.

A winning streak of 34 games was snapped by Morton, resulting in a 11-1 season record for the Girls' Varsity Basketball Team. This year's seniors had a 4 year varsity record of 41-4 and won the Concord Invitational Tournament for the third straight year. The girls, in the final game against Lake Central, shattered the point record for Gavitt GAA, 81-32.

Sharon Meier, GAA president, and seniors Carol Smith, Janet Bechtel, Debbie Hines, and Lori Dalton will be missing from next year's squad. This season, the varsity winning margin was an impressive 23.8 points per game. Juniors returning for next year will be center Jeri Hoffman, Kimmy Thoman, and Sharon Fullgraff.

Second Year Swimmers Compile a 6-6 Record

Breaststroking, junior John Kapec eyes the finish, while sneaking a breath.

Having completed only their second year of competitive swimming, the Gavit Swim Team compiled a 6-6 record. Throughout the season, all (11 events) swimming and diving records were snapped and new ones were established. John Esgate (100 yd. back, 400 yd. relay, 200 yd. relay), Alex Klefeker (500 yd. freestyle, 400 yd. relay, 200 yd. free), Ed Schoenfelt (50 yd. freestyle, 100 yd. free, 200 yd. relay), Earnie Vandersteen, (diving), Bob McCarty (100 yd. butterfly, 400 yd. relay, 200 yd. relay), Bob Russell (100 yd. breaststroke, 200 yd. relay), Tim Towasnicki (200 yd. relay) and Bob Gray (400 yd. relay) set new times for the team.

Seniors Ed Schoenfelt and Tracy Cooley co-captained the youthful swim squad. They will be the only substantial loss that the team will have to survive, so next season appears to be bright for the tankers as they and their coach, Ed Troy, try to gain winter sport supremacy at Gavit.

Soccer Team Grinds Out Gloomy 2-7 Record

Although the soccer squad plays their games in the lousy springtime, their thoughts after the 1973 season weren't very happy. Lack of offensive punch brought their record to a dim 2 wins while facing 7 defeats. The Glads finally, after 4 games, downed the Tech Tigers, 2-0 and 2 games later squeezed by Clark, 2-1.

The 1974 squad is destined to improve with the return of such seniors as Tim Shelton, Joe Narantic, Tom Long, and Bill Cosgrove, along with juniors Art Labus and Mike Callahan.

Gavit golfers finished 1973 as city tournament winners and co-champions of the Lake Shore Conference. In sectionals, they ended up in the 4th position and in the regular season the golfers shot 12 wins while only dropping three. Scoring lower than the Glads were Griffith and Tech while Hammond High nudged them 163-164.

The '74 team should again capture the title, because 4 of the big 5 golfers will return, two of whom are seniors Garry Amick and Tracy Cooley. The only substantial loss from last year was that of Ron Kotso.

Batmen Surge to Exceptional 17-3 Record

The 1973 Baseball team initiated a dismal opening by dropping 2 matches to Highland and Griffith. But then the bats started swinging and the hurlers began to pitch to the corners as the team shunned 16 consecutive opponents.

Swinging heavy bats for the diamond-men were Larry Vaznonis, Tom Skiba, and Dave Horvath, while Tom Michna contributed his speed and good hands. Top hurlers for the Glads included Jack Federoff, Mark Sanders, Joe Baliga, reliever Randy Scott, and no-hit Jerry Hellinga.

The season concluded as the stickmen shutout Morton 3-0 to boost their record to 17-3. All hopes for a successful postseason record and a state championship were eliminated with a heartbreaking defeat by Bishop Noll.

The nucleus of the 1974 Baseball team will come from seniors Dave Blastic, John Rozgony, Bob Graczyk, and underclassmen Randy Rapchak and Mark Bearby. Also the B-Team will be relied on to keep up the winning baseball tradition.

Gavit's strong bench, including Mark Bearby, Randy Rapchak, Mark Sanders, Dave Blastic, and John Rozgony, deliberate over the game, while anticipating the chance to play.

Thinclads Boast Of Two City Champions

City Champ, Pete Boldin, exerts all his power to overcome rivals in the 100 yard dash.

The 1973 Cindermen won only 3 of their conference meets but 2 runners, Pete Boldin and Jeff Bond, dashed away with sectional and city honors. They both were city and sectional champions and placed second in regionals; Boldin in the 220 and Bond in the 440. In the State Meet, fleet-footed Boldin hustled to the 4th spot, while Gavit overall placed 29th.

The Track Team was overcome in 6 meets and won their only 3 against Morton, Whiting, and Roosevelt. In the Indiana Lake Shore Tri-Conference Meet, the trackmen rushed past everyone and captured 1st.

The strength for this year's team depends on Rick Dorsey, Tom Templeton, Jack Smith, Gary Wendlinger, and Jim Nagel.

X-Country Team Runs Into Disappointing Season

The 1973 fall was a dismal one for the Gavitt harriers as they dropped 7 of 9 meets. Their 2 wins came at the expense of East Chicago Washington and Whiting.

The bulk of the team centered around senior Jim Nagel, who consistently turned in winning times.

Next year's roster should be much stronger with the return of 7 varsity runners plus the junior varsity.

Energy crisis 1974. It hit during the Fall of '73 and affected everyone in one way or the other. Lowering of thermostats brought heavy sweaters to fight the 68°, and lower, temperatures. Gas stations began closing at 6 P.M. on weekdays and pumping no gas at all on Sundays. Many were forced out of business. Car pools became commonplace and bikes and walkers began enjoying more company. The 55 mph. speed limit came into effect in February after much objection from truckers and the small economy car industry received a big boost. Government action in January '74 brought Daylight Savings Time for the whole country to save valuable energy. Learning to stick closer to home or pay outrageous prices for gas was a decision faced by everyone, but, one way or the other, all were expected to do their part for the crisis.

Gladiator Spirit Soars During Homecoming Week

Homecoming week 1973 slid by as classes and clubs worked long hours to put the finishing touches on their floats. Mums, specialty days, football players' decorated lockers and houses, and signs in the halls spurring the Glads to a victory all contributed to the homecoming spirit.

The annual Pep Rally on Thursday night fired up the Gladiator fans and climaxed with the announcement of Mr. Football, Joe Narantic and the 1973 Homecoming Queen, Mary Hurd.

The Friday game brought many an alumni, parent, and student. Half-time included entertainment by the GHS band and Drill Team, homecoming court presentation, and the float competition decisions. The Sophomore float, "Clark Barks . . . Gavit Bites," was the first place winner in the class division. Pep Club's "Scalp the Pioneers" won in club competition.

Quorum provided the music at the Student council sponsored homecoming dance, as very happy Glads wrapped up another GHS homecoming.

Pawning Lorelei's precious engagement ring is the answer Dorothy and Sam find for their financial straits.

Henry becomes uneasy as Lorelei tries to get to know him better.

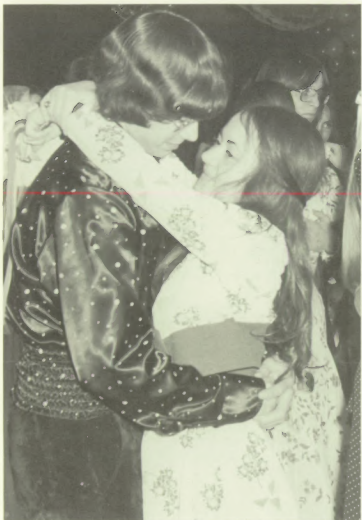

Elaine Stephens proved that *GENTLEMEN PREFER BLONDES* as she allured several young men in her role as Lorelei Lee, a spacy blonde, in Gavit's premier dramatic production of the year. The Anita Loos play depicted Lorelei and her brunette friend Dorothy (Sandra Zack), as two young women who travel to France seeking education and romance. Lorelei pretends to be a woman of the world, but she and Dorothy get themselves into endless amusing predicaments, involving money and men. In the end, Henry Spoffard III (Todd Clark) a dashing but timid sophisticate, is the gentleman Lorelei prefers.

Mr. Roland Unkuri directed the play's cast of 26 performers and 18 crew members. Over 350 students and adults attended *GENTLEMEN PREFER BLONDES* on the night of November 15 and 16, making it the most successful Gavit play since *HARVEY* two years ago.

"Just You and Me" Highlights Christmas Season

It was just "You 'n Me" at the Inaugural Ball, on the starlit night of December 21, 1973. However, 149 other couples also enjoyed the traditionally romantic atmosphere of Gavitts formal winter dance.

Tables were conveniently set up in the cafeteria with Quorum and the lobby without the band for couples to stare into each other's eyes. Refreshments and pictures were taken in the Atrium.

Foreign Student Studies at Gavit

The GHS road included a bit of Mexico this year as Betty Olivares from Veracruz, Mexico became a GHS student for three months. Although she had graduated from her own school in June of 1973, she felt a stay in America would broaden her knowledge—and her English.

Sept. 14 brought Awareness Day to Gavit with principal, Mr. Donald Moreton, participating by spending his entire day in a wheelchair. This day was set aside as a day for people to "handicap" themselves by wearing blindfolds, spending the day in wheelchairs, and wearing earplugs in order to better understand the problems of the handicapped.

Also along Gavit's road was an assembly entitled "This Atomic World", which gave Kathy Kulka a "hair raising" experience.

November found the Student Council officers telling the Hammond School Board about Gavit with a slide presentation, Jody Rausch and Heidi Reiter pulling their load of goodies for the Thanksgiving Canned Foods Drive, and the cooking class's Thanksgiving dinner for the faculty.

ABC-TV's Bill Frink visits GHS

Fall of '73 brought Bill Frink of the ABC-TV news staff to GHS in an interview with Coach Quinn and his winning football team. Twirlers, like Fran McMahon, and the Gavit Drill Team brightened up half-times and pep assemblies along with the varsity cheerleaders.

Out on Gavit's own "road" Track Aids like Gail Johnson and Sue Carroll were kept busy recording and keeping score for the GHS track team.

The senior tradition of cords was carried on as Pat Bol-din proudly displays.

Homecoming is a "Morton Mash"

Queen Robin Mitchell gets a hug from escort, Ed Schoenfeld

"Basketball Homecoming? When is it? Oh, tomorrow? You're kidding. There hasn't been any excitement, class competition, spirit, or anything. I don't even know who we're playing! What happened?"

That's the way basketball homecoming seemed to be this year. It slipped up on people (and right by lots of them) without warning. No signs in the halls, no buzz-buzz over the dance or who would be Mr. Basketball and Homecoming Queen. Nothing.

The traditional Pep Rally was braved by a sparse crowd of about 200, but by 7 p.m., the GHS gym was overflowing with fans to see the Morton-Gavit bout. Half-time brought performances by the Drill Team and Twirlers, as well as the introduction of Homecoming Court—seniors Debbie Hines, Denise Hines, Lori Dalton, Robin Mitchell, Vickie Thornsberry, and Junior Cathy Rosinski.

Immediately following the GHS victory, "Free Verse" provided music for the dance in the cafeteria where Robin Mitchell was crowned Homecoming Queen and Chris Ford was crowned Mr. Basketball.

3 One-Acts Under Student Direction

Hen-pecked husbands, suicide, death, and student directors were the highlights of the 1974 3 One-Act plays. Drama director Mr. Roland Unkuri assisted in the productions presented on Thursday, Feb. 7 and Friday, Feb. 8.

The first play was "Echo" written by Robert Kasper. Directed by senior Todd Clark and starring Bob Korpella, Becky Medwetz, Tim Puchley, and Tina Byers, "Echo" dramatized the family conflicts and guilts centering around the suicide of a young son.

"Fumed Oaks", directed by senior Jim Livingston, starred Kevin Augustyn, Sheila Nevers, Marie Scepkowski, and Anita Charnekar. The comedy centered around a hen-pecked husband who tells his family he has had enough of them all and is taking off on his own.

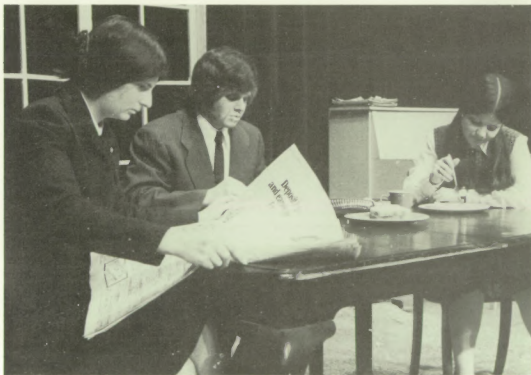

Junior Sandy Zack directed and starred in the drama "The Death of the Hired Man." Also starring in the play were Louis Sobak, JoEllen Johnson, and Randy Van Vynckt. Based on the poem by Robert Frost, the play concerns an aged and incompetent farm hand who has come home to die.

Sadie Hawkins

There was grubbin' and stompin' and pitchin' and hitchin' at the see-nyar's any'all Sadie Hawkins Dance. About 350 hillbillies, decked out in their bestest country garb, mit in the Gavit jim Friday, February 22 to eat, dance, play games, and git married.

Jest 99c admitted a body onto the stomp-floor and intitled it to "free" grubs: a donut and cola. A partner was a bargain 2c extra. Canned music from the record machine gave ever-y-body their choice of mel-o-dies to stomp to. Pie eatin' (and pitchin'), droppin' clothespins in the bottle, toothpick-passin' the life-saver, neckin' the orange, bobbin' for apples, and cardboard-front pic-chur-takin' were among the jovaile festivities in Dogpatch, Kentucky. And, of course, hicks was hitched with chicks to make the whole even-ing proper.

The popular Sadie Hawkins Dances were created by Al Capp, the author of Li'l Abner, in 1938 when Daisy Mae tried to snare Li'l Abner into marriage. Although the dance is named for the man-chasing Sadie, each girl imitates Daisy Mae in trying to catch and marry a Li'l Abner, or two, or three—the more the marrier! The students and teachers who best represent the sex symbols Daisy Mae and Li'l Abner are elected at the dance, as well as the Best-dressed Hillbilly.

73 Prom, a Dazzling Evening of "Precious and Few Moments"

The long, winding road brought the class of 1974 up to the responsibility and excitement of their first prom. "Precious and Few Moments" was the theme as couples danced the night away. The Sherwood Club on May 19, 1973 held the perfect ending for a long awaited and planned for evening.

"... 7:30 committee meetings, the showcase... talking to the senior class... worries and decisions, decisions... anticipation and last minute rush... many things learned, many memories, but only a few more days... weeks and weeks of preparations coming to a head... Here we go, guys and girls working together—a common goal. You can see the class spirit... a lot of responsibility... a thank you to the class and a round of applause..."—Chris Stewart, Prom Chairman.

The evening itself held special memories for everyone. Memorable events highlighted the evening from the first dance to the announcing of prom court. Betty Gamez, escorted by Terry Trtan, made a beautiful queen. Her court included Phyllis Bond escorted by Phil Parsanko, Wendie Kaminski escorted by Glen Johnson, Mary Jo Mangone escorted by Joe Lain, and Mary Tuskan escorted by Guy Kikalos.

Seniors Tour Washington, D.C.

Oct. 31 found 15 GJS seniors taking off for an excitement filled weekend of sight-seeing, learning, and good times in our nation's capital. After settling in, they got acquainted with Washington by touring the Capital Building, the White House, the Washington Monument, and the Jefferson and Lincoln Memorials. Throughout the weekend they also took in Arlington National Cemetery, Williamsburg, Mount Vernon, and the Smithsonian Institute. A tired, but happy group returned home Nov. 4 loaded with used film, dirty clothes, souvenirs, but most important happy memories.

Tom Eder and Mr. Clausen, senior sponsor, clown it up at Williamsburg.

Congrats!

Good-bye to Seniors

For these seniors, one road has come to an end, but the door to another stands before them. It's there . . . for them to open if they wish. A door to new knowledge, to dreams, to love, to adventure, to a bright future, to the long and winding road . . . of life.

Album

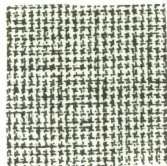

A group of young people, mostly women, are sitting and standing together. They are all looking towards the camera and smiling. The photo is a black and white photograph.

DETOUR: "Senioritis!"

Denise Denning, Rea McCahon, and Chris Stewart proudly display their artistic cords.(1) During their last year, seniors enjoy closer relationships with their teachers, as Linda David and Bob Angelich display with an after-class conversation with Mr. Goodnight.(2) The Yule season finds the Class of '74 in the spirit, as Rick "Santa" Dorsey makes the regular classroom drag a little merrier.(3) Lori Dalton and Marian Lucas pause for a few words of advice and encouragement during a tense volleyball game.(4) Carol Smith jives to the hand-clapping beat of Gavitt's band at a pep assembly.(5) Even the taste of defeat is sweet for Steve Smoot as he competes in the Sadie Hawkins pie-eating contest.(6) Senior boys use their well-deserved break from classes for a quick card game.(7) A grinning Rea McCahon finds that "Senioritis" is lots of fun.(8) Gail Johnson spurns pep rally enthusiasm.(9) Mary Novotney, Anita Hertzfelt, and Nancy Cave, decked out in their Sadie Hawkins best, relax and gape at passers-by.(10) Drill Team captain Lori Dalton holds the hoop for a high-stepping Greg Barnes.(11) A friendly conversation ends in danger for Chris Ford, who is being silenced by Tom Templeton and Ed Schoenfelt, as Rich Beezie and Mark Johnson (L) offer no assistance.(12) Senior sponsors, Karen Kroccek and Richard Clausen contemplate graduation and a long four year's end.(13)

... Two roads diverged in a wood,
and I—
I took the one less traveled by,
And that has made all the
difference.

—Frost

*I've been on this lonely road so long: Does anybody know where it goes?
I remember the last time the signs pointed home a month ago.*

—Gary Sims/Dan Woodkams

**GLORIA
BISH**

1956-1973

*Strange, is it not? that of the myriads who
Before us passed the door of Darkness through.
Not one returns to tell us of the road,
Which to discover we must travel too.*

—The Rubiyat

VICKI THORNSBERRY: "When I think of this road coming to an end it makes me sad. Never in my life again will I have the same friends, or the same kind of fun. The laughs, the cries, the joys and disappointments are worth more than a million dollars to me and they will never be erased from my memory."

RICK DORSEY: "I think my road was more winding than it was long. The time I spent at Gavit seems to have flown by rapidly. During these fleeting four years I think I've mellowed considerably and tend to look at matters more open-mindedly."

PAUL DEMKOVICH: "I've learned quite a bit during my years at Gavit. Some from books, but mostly from people, about people. Backstage, running for office (by myself and with Bob Korpella), attending Student Council, joining clubs, being in plays, filling the pop machine, going to the Science Fair, buying stock from K.W.B. Engineering, running P.B.D. Printing, being in the Mime Troupe, going to countless parties, writing term papers, listening to Mr. Mann, and just walking down the halls. We live in a dynamic world. I hope our experiences can cause us to be as dynamic."

VICKI BRATCHER: "During my 4 years of high school at Gavit, I feel that I've learned many things. I find it kind of hard to believe the years have gone by so quickly. But I would never want to go through high school again if I had to, because I have a long way to go yet. I hope the underclassmen in Gavit will take advantage of all the opportunities they can, because it's worth it."

SHELLEY FACEN: "When I was a freshman, I thought school was just a word. But then as I rode on, I thought school was very important because now as a senior it's hard to get in college with bad grades."

GREG BARNES: "Through my years at Gavit I have gained quite a lot through my experiences. Yet the basketball season has encouraged me on even further."

KEVIN FAULKNER: "We seem to be traveling down the road of life at ever-increasing speeds. I think it's time for us to slow down and start enjoying more of the detours that break the monotony, and make life worth living."

AMY BLAINE: "School occupies a great portion of your life when you are a teen-ager. The activities and functions you participate in and the friends you have help make you the way you are. Things like Speech and Debate may give you better speaking skills. Music may help you to appreciate Bach-type music. It's your choice as to what you enjoy and what you need to build in your character. Take advantage of the opportunity so it won't be so difficult later."

Juniors

Juniors Contemplate Future Careers During An Active, Eventful Year

Members of the Class of 1975 began an active and decisive year with the decision for a homecoming float theme. The final theme was "Hotdog! Ketchup with the Glads—Pioneers Can't Cut the Mustard!" The float won second place in the class float division.

Juniors began to contemplate many major decisions concerning their futures. They had the opportunity to listen to representatives from sixty Indiana colleges and apprenticeships, at College-Career Night, held at Hammond High. Juniors were also active taking scholastic tests, including the National Merit Scholarship Qualifying Test/Preliminary Scholastic Aptitude Test (NMSQT/PSAT) and the Scholastic Aptitude Test (SAT).

Organization of class activities and events was unified with the efforts of the class officers: President, Becky Medwetz; Vice-President, Jim Saltanovitz; Secretary, Bob Headrick; and Treasurer, Christy Blaine. These efforts were aided by the guidance of class sponsors, Mrs. Laurel Weiss and Mr. Richard Willis.

"Stairway To Heaven" was the theme for the Jr.-Sr. Prom held at Ramada Inn, May 18, 1974. The Prom, sponsored by the Class of 1975, was organized by co-chairwomen, Anita Charnekar and Eydie Parsley, and many other involved student committees.

CLASS SPONSORS: Mrs. Laurel Weiss and Mr. Richard Willis.

CLASS OFFICERS: Becky Medwetz (Pres.), Jim Saltanovitz (Vice-Pres.), Bob Headrick (Sec.), Christy Blaine (Treas.).

Ordering Class Rings Moves Sophs Toward Upperclass Years

CLASS OFFICERS: Kathy Opasik (Treas.), Mary Keir (Vice-Pres.), Linda Foster (Pres.).

CLASS SPONSORS: Mrs. Vella Johnson and Mr. Thomas Zygmunt.

Sophomores, of the Class of 1976, contributed to the homecoming celebration with the decoration of their homecoming float, "Clark Barks, Gavit Bites". This was the second consecutive year in which the Class of 1976 placed first in the class float division.

In October, Sophomores in good class standing were eligible to purchase their class rings. They could choose the rings after deciding which style they preferred and were sized. This was another step toward their upperclass years.

Activities increased for the Sophomores during the second semester. In the Spring, members of the class began preparation for the 1975 Prom by organizing prom committees, choosing a prom chairman, and selecting a prom site.

1976 class officers for the 1973-74 school year were: President, Linda Foster; Vice-President, Mary Keir; Secretary, Joanne Thorbjornsen; and Treasurer, Kathy Opasik. Class sponsors, Mrs. Vella Johnson and Mr. Thomas Zygmunt, assisted the class during the year.

Freshmen

Freshman Open High School Career With Float And Candy Sale

CLASS OFFICERS: John Sherbit (Pres.), John Burdyl (Vice-Pres.), Sharon Geurts (Treas.), Joe Brach (Sec.).

Freshmen began to show their enthusiasm and school spirit with the construction of the Class of 1977's first high school homecoming float. The theme of their entry in the class float competition was "The Glads Are Always On Guard". This venture helped to usher in the Freshmen's entrance into high school activities.

Endeavoring to earn money for future events such as the Jr.-Sr. Prom, class homecoming floats, senior banquet, and other activities, Freshman embarked on the traditional candy sale. However, the sale was delayed when contract specifications could not be met by the first company and a new company had to be found. Salesmen competed among themselves for prizes which went to those who sold the most candy. The efforts of all vendors made the sale a profitable enterprise.

Activities of the Freshman class were organized by the class officers: President, John Sherbit; Vice-President, John Burdyl; Secretary, Joe Brach; and Treasurer, Sharon Geurts. Miss Margaret Fitzgerald and Mr. Cary Eckard, 1977 class sponsors, aided the class throughout its ventures.

High School is a waste of time . . .

. . . unless you find a job that turns you on and makes good use of your education. Inland Steel wants only people who want to use everything they've learned in high school--and strongly desire to grow personally and in their chosen field.

Inland's future growth depends on the creativity and productivity of its people. If you want a really challenging opportunity to contribute--with the rewards and responsibilities that go with it--Inland wants to talk to you.

INLAND STEEL COMPANY

We need action-seeking graduates for opportunities in clerical . . . production . . . technical . . . and craft apprenticeship areas.

Think it over. If you have high aspirations and a good high school record, take time to find out about a career with us.

The year has gone by almost too quickly. Here I am, on the final day of production, writing the closing thesis for the book. I was completely unprepared for this. It seems as if our planning and plotting should keep on going, maybe forever. I think you all should know that this staff was concerned for this book and for you. They wanted to see that the 1974 Futura was surpassed by no other yearbook in the history of Gavitt. In fact, in a year when other yearbooks in the city were fighting for survival, we were enjoying record sales and increased chances for improvement. We are all proud of this book. We made sacrifices, took privileges, complained, changed—most important of all, changed. We owe a lot to some people: Mrs. Penny, for her advice; Mr. Dudzik, for his "top quality" photos; Mr. Kopenc, for everything; the custodial staff for their cooperation; and all of you who made this year and this book possible.

Sherry

Working on the 1974 Futura staff was an experience we shall all remember—for one reason or another! There were times, of course, when we complained:

- *I wish I had a decent typewriter.
- *If he doesn't get here soon with my pictures, he'll lose a vital part of his anatomy.
- *Peggy, you're so hyperkinetic.
- *Where the are my pictures?
- *Did you spill the rubber cement again, Wendy?
- *Is that boy out chasing again? . . . uh, ads, that is.
- *I've been robbed!
- *A lady should always keep her feet below her hips.

We discovered new personality traits:

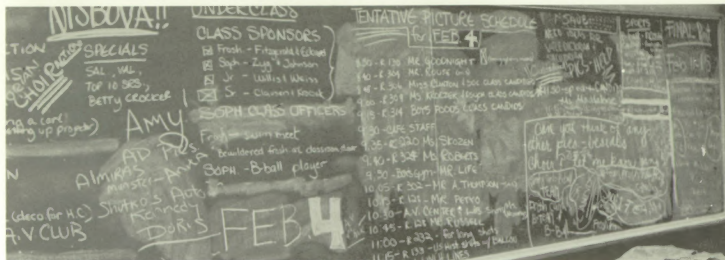

- *Did you hear that? Ron Henry just yelled to his mother!!
- *It's all in the wrist, Sher-er-y, Sherry Baby.
- *You r-r-rookie.
- *Leaders of the Apathy Club.
- *Good ol' Quincy—milk bottles and chastising notes outside the doors.
- *Money, money, money, money, money . . . Get ads!

There were times of desperation:

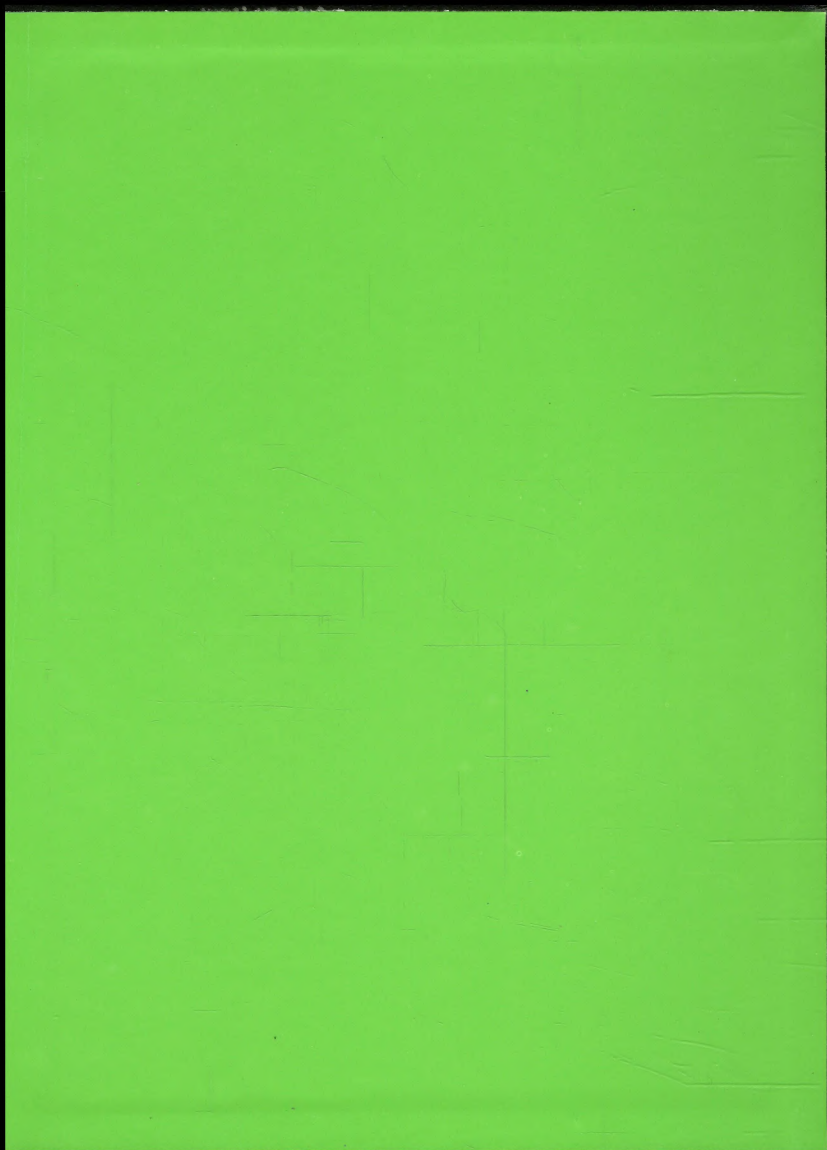

- *Quick! Give me an admit before that woman looks this way again.
- *Food!! Take this and bring up everything that's left at the bake sale.
- *Hurry, Dubbs. Hold up your phone number before they get away!

And deadlines were always invigorating:

- *Oh, crop! This picture's too small.
- *Help me with my road.
- *You want to go call your parents and tell them we'll be done in another hour?
- *Only 32 more pages to go for tonight.
- *You want to go and call your parents and tell them we'll be done in another hour?
- *24 McDonald's coming up.
- *Go call your parents and say you'll be home before midnight.
- *10 people and 1 baby seat in Mr. Kopenc's car.
